If the membership no longer has an active loan with the Credit Union, the member will have 30 days from the date the loan was closed out to open another loan with the Credit Union to keep the eXclusive Savings account active. If this is not done within the 30-day window, the eXclusive Savings account will be closed and all funds in the account will be transferred to the member's Regular Share. If the criteria for the eXclusive Checking account is not met for the month the member will earn 0.00% APY on their funds.

You must provide and maintain opening deposits and/or minimum daily balances in order to earn the APYs stated above, if so indicated. For Money Market Accounts, the dividend rate and Annual Percentage Yield (APY) may change at any time at the Credit Union's discretion. Fees may reduce earnings on account.

The average daily balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period. **Applies to all other accounts:** We use the Daily Balance Method to calculate dividends on your account. The Daily Balance Method applies a daily periodic rate to the balance in the account each day.
- 5. ACCRUAL OF DIVIDENDS.** Dividends will begin to accrue on the business day that you deposit noncash items (e.g. checks) to your account. If you close your account before dividends are paid, you will not receive the accrued dividends.
- 6. TRANSACTION LIMITATIONS. Applies to Christmas Club Accounts:** the entire balance will be transferred to your share account on or after November 1st and the account will remain open. **Applies to all accounts except share draft/checking accounts:** during any statement period, you may not make more than six withdrawals or transfers to another credit union account or yours or to a third party by means of preauthorization or automatic transfer or telephonic order or instruction.
