Back-to-School Bash Events

We're so happy to announce that our Battle Creek and Albion Back-to-School Bash Events were a success! With the help of our employees and donations from the community, we were able to hand out nearly 400 bags of school supplies. Thank you to everyone who volunteered and a special shoutout to our Loan Servicing Specialist, Tracy, for providing her awesome ice cream truck!

<p>What do you love about working at BlueOx Credit Union?</p> <p>It's a friendly, inviting environment. You feel bonded and close with your team and really that brings out and inspires you to even want to show up more and do it happily and comfortably.</p>	<p>What is a fun fact about yourself?</p> <p>I speak 4 languages. Swahili, Abagusii, Afrikaans.</p>
<p>What is your 5 year goal?</p> <p>In the next five years. Career-wise; I envision myself to be the founder of an organization that uplifts women who underwent FGM or are running away from this disservice saddening culture. I want to do many things, being that I am from Kenya and have seen what good progress has done for other countries. I want to propel my community in that direction, empower them, educate them.</p>	<p>What are you PASSIONATE about?</p> <p>Nipsey Hussle once said the greatest human act is to inspire. I am just intrigued by this idea of being good, doing good, that it liberates and transfuses to those around you. I believe it goes a long way</p>
<p>What is your favorite book-movie-song-quote-other?</p> <ul style="list-style-type: none"> • My favorite book is Purple Hibiscus by Chimamanda Ngozie Achebe. And the best quote in the book for me is we should all be angry, because anger has a history of bringing about positive change. This is in the context of how still African government rules its subject as tyrants. It affects the people greatly, more than you can imagine, in every aspect of their being and growth. • Favorite song at the moment, Dangote by Burna Boy. 	

Our Employee Spotlight is our Member Service Advisor, Leo! Thank you for your hard work and dedication to BlueOx, Leo! We're so lucky to have you on the team.
