**Financial Literacy Month**

# How did you celebrate Financial Literacy Month?

Did you make a budget? Prioritize savings? Learn about credit cards? All are great first steps to take control of your financial situation!

Thanks for celebrating financial literacy month with us! We hope that throughout these past few weeks, you've been able to accomplish something that gets you one step closer to your financial wellness goals. If you have not yet been able to learn something new, you still have a few days left until the end of the month!

We encourage you to continue learning throughout the rest of the year. Download Zogo to have financial education on your phone so you can learn anytime, anywhere!

**Introducing Zogo Español**

# Zogo Learners - check out the newest update!

Learn with us in a brand new way. Zogo's newest update, "Zogo Español", allows for Spanish language support within the app.

Attention Zogo learners! We're so excited to help our community get access to learning personal finance lessons in the Spanish language. If you're wondering how to access Zogo Español, follow the options below:

## **Option 1:**

– If your phone settings are set to Spanish language support, Zogo will automatically change to Zogo Español once the app is updated.

## **Option 2:**

– If your phone settings are set to English, update the Zogo app and navigate to your profile tab.

– Scroll down to the "General" category and select "Language" options.

– From there, select "Español" to now learn Zogo's financial skills in Spanish!

Studies have shown that learners are more engaged and retain better information better when studying in their native language. In our partnership with Zogo, we're able to reach 40+ million learners in America who speak Spanish as their native language!
